Mr. William Bell
Station WHAV
Haverford College
Haverford, Penna.

Dear Bill,

I will be in Swarthmore after July 30, working with the other stations in the Philadelphia area. I hope to see you then. I'm sorry that Ken is no longer at Haverford, but I'm looking forward to meeting the present staff.

It would save my time if you could outline briefly what technical problems are most pressing. I will get all mail addressed to me at the New York Office.

Cam Williams of WBMC has promised to meet me there sometime soon to go over their installation.

Sincerely yours,

David Linton
